# HSC Trial Preparation Workshops

3rd July - 6th July 2023

To support Year 12 students in the lead-up to the trial exams, a series of workshops are being held on campus with expert teachers.

These workshops have been proven to

- increase subject knowledge
- enhance subject-specific skills
- improve confidence for all participating students.

**100,000+**

The amount of students we've helped improve their results since 2005

**98%**

Would recommend our programs to others

**17%**

Average improvement in marks after attending
