

Severe, Life Threatening Allergy Protocol Registration

(References: P.108.SCO and PR.548.SCO)

NOTE: Please type and submit the original, signed copy to your child's school principal in a timely manner. In the case of ongoing serious medical conditions (such as but not limited to severe, life-threatening allergies, diabetes, epilepsy, heart condition, asthma), this authorization will terminate on June 30 of each school year. Please ensure to notify the principal if the prescription changes or expires. This authorization may be cancelled upon receipt of written notification to the principal.

Red watery eyes		☐ Change of colour
Runny nose	Throat tightness or closing	Other
☐ Vomiting	☐ Difficulty swallowing	

Distribution: OSR

WARNING:

- Symptoms do not always occur in the same order or intensity, even in the same individuals.
- Time from onset of first symptoms to death can be as little as a few minutes if the reaction is not treated.
- Even when symptoms have subsided after initial treatment, they can return as much as eight hours after exposure.

GENERAL COURSE OF ACTION

Administer Medication and Call Ambulance Even if Parents/Guardians Cannot be Reached If there is ANY suspicion that the student may have been exposed to his/her life-threatening allergies or is displaying any of the above symptoms:

- - (It is highly recommended that each student carry an EpiPen® at all times, with back-up kept in the office or accessible location.)
- The student should rest quietly.
- Send a runner to immediately notify the principal or designate to call Emergency 911 and have Auto-Injector (if NOT carried by the student) delivered to the room immediately by an adult.
- Do not send the child to the office. (Time is of the essence and supervision essential.)
- The student must be transported immediately to the hospital with extra Auto-Injectors to be administered approximately 10/15 minutes later if needed.
- Monitor the student until the ambulance arrives.
- Have the student ready to go.

The personal information on this form is collected under the authority of the Education Act and will only be used to record parental authorization for the self-administration by the student of the named medication. Access to this information will be limited to those who have an administrative need, to the student to whom the information relates and the parent(s)/guardian (s) of a student who is under 18 years of age. If you wish to review this information or have questions regarding its collection, please contact your school principal. The information collected will be protected against theft, loss and unauthorized use or disclosure. THIS FORM MUST BE COMPLETED IN A TIMELY MANNER, INCLUDE ORIGINAL
SIGNATURE(S) AND SUBMITTED TO THE SCHOOL PRINCIPAL.
PRINCIPAL'S ACKNOWLEDGEMENT
I have reviewed the information provided in this form, obtained clarification if required, and acknowledge its receipt.
Principal's Signature:
Date:
A copy of this form must be kept with the Auto-Injector and in the student's classrooms, the lunchroom, and in other central locations where information regarding anaphylactic students is available.
Share this completed form with all of the student's teachers.
Use the review of this form as an opportunity to discuss the implementation of the guidelines with the parent(s)/guardian(s). Place a copy in the student's OSR folder.
